- Motion(KA9OPL), Second(KF9IH)

Trustee Reports:

Marion (WD9HTN) and Joe (KA9OPL) both reported that our repeaters are functioning well and there were no issues or changes.

Hamfest: Matt (KC9BWO) reported that everything is on track, and welcomed any additional help.

ARES: Kim reported that the CARC Board approved a request to provide Indiana ARES with approximate locations of our repeaters. FEMA has asked for repeater locations so that they can provide generators and fuel in cases of emergency. The Board action actually occurred in late January, and Kim forgot to announce it at our February club meeting. She wanted to be sure everyone was aware of it.
